

ECOMER

Product Information

Introduction

ECOMER Supports a healthy immune system. ECOMER is a natural food supplement containing alkylglycerols from shark liver oil which strengthens the immune system. Alkylglycerols are involved in the production of white blood cells which are an important part of the immune system. Alkylglycerols occur naturally in the human body, particularly in mother's milk, and helps the body to stay strong and resistant. Alkylglycerols also occur in bone marrow, liver and spleen. The alkylglycerols in ECOMER come from shark liver oil, which provides the richest source of alkylglycerols. Each capsule of ECOMER contains 250mg shark liver oil with a minimum of 20% alkylglycerols.

Features

Ecomer Alkylglycerol supports

- Shark liver oil has been used to support treat cancer, skin conditions, and respiratory ailments, as well as to reduce recurrent aphthous stomatitis and prevent radiation sickness. Alkylglycerols have been studied as an immune system modulator an anti-inflammatory. **Ecomer supports:**
- Strengthens the immune defence
- Cell-protecting abilities
- Promote wound healing

Storage, Handling, Other Information

This product is not intended to diagnose, treat, cure or prevent any diseases.
Our products are natural and it can occur that the color or smell varies per batch.
There will be no difference in the effectiveness of the ingredients.

ECOMER is a food supplement and should not be used as a substitute for a varied diet.
Do not exceed the recommended daily dosage.

Our Alkylglycerol contains purified shark liver oil with at least 20% pure Alkylglycerols. Undesirable components such as squalene, cholesterol, are reduced to a minimum. Impurities such as DDT, PCBs and heavy metals have been removed. Alkylglycerol can be taken as a preventive measure to improve the body's immune system and minimize the risk of colds, flu, chronic infection and inflammation. But can also be taken in the event of any of these symptoms.

Dosage:

- Recommended dosage: 1-2 capsules, 2-3 times daily (the lower dosage for preventive purpose)
- During periods of reduced or coming reduced resistance:
 - 1 week before and 3 capsules for treatment three times a day
 - Continued dose or maintenance dose 2-3 times a day 1-2 capsules
- Regimen symptoms: 3 times per day 3 capsules
- Preventive treatment:
 - 2 capsules 2 times daily for at least 3 weeks
(Repeat or continuous take 3 to 6 times per year)
 - or continuous 1 capsule each day

Storage:

To be stored in a dry place at room temperature. To be stored out of reach of children.

Has Alkylglycerol side effects?

No side effects are known

May cause hypersensitivity reactions in people with an existing allergy to fish-protein.

In pregnancy consult a doctor.
