

## Helioux - Self Tan Remover - Gentle - Zelfbruiner Verwijderen & Prep

A lightweight cleansing mousse that removes stubborn self tan build up in just 5 minutes. Magically erases your old self tan leaving skin silky smooth. Unique formula gently cleanses, moisturize and leave your skin perfectly clean, ready for your new tan.

- Removes stubborn self tan build up
- Cleanses, conditions and tones skin
- Lightweight mousse formula
- Suitable for both face and body
- Vegan friendly, paraben free formula

How to use: Soften your skin in the shower or bath and apply the helioux self tan remover mousse on your skin. Let it sit for 5 minutes before wash off. In combination with the Helioux exfoliating glove you can easily remove the old tan from your skin. Exfoliate with the Helioux exfoliating glove 24 hours before tanning. Moisturise dry areas such as hands, feet, knees, ankles, and elbows prior to application.
