

## Digital Noise Cancelling Headset MDR-NC31EM

Effective. Comfortable

Enjoy your entertainment undisturbed

### In short

Digital noise cancelling – Sony patented technology for highly effective background noise elimination

Precision listening – Dynamic headphones give you rich, full-range audio with deep bass and crystal clear highs

High-comfort fit – In-ear buds designed to further isolate your music listening experience

Call handling – built-in microphone for handsfree calling

### In detail

#### No noise. Only music

When you're travelling, MDR-NC31EM will effectively block out engine and other noises around you and leave you with the best of your music. Earbuds with a high-comfort fit complement your listening experience and let you enjoy your favorite songs, video and other entertainment for hours.

#### Precision listening

Block out all the noise around you wherever you are and listen to your music in all its detail. This digital noise cancelling headset will give you full-range audio with deep bass, a strong medium register and clear highs. Excellent audio for all types of entertainment.

#### Handsfree calling

When a call comes in you can use MDR-NC31EM to enjoy the call. Your hands are free and you have excellent call audio.

Note: Call handling is only possible when MDR-NC31EM is connected to a device with a 3.5 mm 5-pole audio contact. Check your device specifications for details.
