

STEAM CLEANER

The perfect cleaning tool in & around the house

DETACHABLE HANDHELD STEAMER

Utilize the compact, handheld steamer together with the provided accessories to handle various tasks at home. This versatile cleaner swiftly converts your steam mop into a tile and grout cleaner, a portable garment steamer, a curtain and drape cleaning device, and umerous other applications!

FOR ALL FLOORS

Ideal for hardwood, tile, laminate, sealed stone, marble, and various other floor types, this quick-drying and secure steam mop pad features highly absorbent microfiber material, making it perfect for effortlessly eliminating tough stains, dirt, or grime from floors and carpets.

ATTACHMENTS INCLUDED

Our steam mop comes with a range of accessories designed to assist you in addressing all your steam cleaning requirements. These attachments simplify tasks such as cleaning windows, tile and grout, oven, garments, countertops, and any other steam cleaning needs you may have.

CHILD & PET SAFE

As the Strex Steam Cleaner solely needs water for cleaning, it is entirely secure for use in the presence of children and pets. This makes it an excellent choice for tidying up pet beds, children's rooms, furnishings, toys, restrooms, and any other items they manage to soil.

CONVENIENT

With a 3.5M extended power cable, you can manage an entire room without needing a different socket. Effortlessly cover entire levels, access hard-to-reach corners, and even steam your drapes using just one device.
