

# Product Parameters

Product Name Surface PD fast charging adapter

Product specifications Type-c mother to Microsoft surface

Product color Space Gray

Product output 15V  $\overline{=}$  6.8A

Product Power 102W

Product material Aluminum Alloy + PVC

Note: 102W charging can be identified. At present, the PD power supply in the market is only 15V-3A. In order to protect the power supply, it is set to 3A output. If required, 102W(15V6.8A) output can be opened according to customer requirements.
