USB or Battery

There's nothing better than cuddling with our loved one in front of the fireplace on a cold winter day. Create an intimate Christmas mood with this LED light. The fireplace contains realistic, flaming effects and glowing pieces of wood. Thanks to the battery or USB operation, you can enjoy its atmosphere for a long time, yet it is safe. You can decide which mode you want to use. It does not heat up, there are no popping sparks. The battery power supply allows you to place it anywhere in the apartment, for example: bookshelf,
