

WARMTONE GOLF BALL BULB E14 470LM 6W 1800-2700K DIMMABLE 220 BEAM FROSTED INTEGRAL

ILGOLFE14DC042

The dimmer the light, the warmer the colour - Integral WarmTone LED Lamps are ideal for bringing a cosy atmosphere to your home or hospitality environments. By using advanced LED dimming technology, the WarmTone range closely resembles the dimming performance of halogen or incandescent lamps, which naturally get warmer in tone as they dim to lower levels of luminosity. The Warmtone range combines the aesthetic benefits of traditional lighting technologies with the energy efficiency and long lifetime of LED.
