

Wet Stuff with Vitamin E is a long lasting, exquisitely textured, clear water-based lubricant, designed to enhance your intimate pleasure. The modern update of the original Wet Stuff formula. Excellent to supplement your natural lubrication before or during sex. Compatible with condoms. Low irritant formulation. As with all products, if irritation occurs, discontinue use; if it persists, consult a doctor. For fabrics, soak in plain water, then rinse thoroughly before a normal cold wash. Sponge out of carpet with plain water. Very slippery if spilled, so clean up immediately. Store in a clean, dry place at room temperature.

Ingredients: GLYCERINE, PROPYLENE GLYCOL, PURIFIED WATER, HYDROXYETHYL CELLULOSE, LAMBDA CARRAGEENAN, METHYL & ETHYL HYDROXYBENZOATE, PHENOXYETHANOL, FANTUSIFYING WAX, SODIUM LACTATE, ALPHA TOCOPHEROL ACETATE (VIT E), EDTA.
