Solidenz Phone Case User Manual

Congratulations on your purchase of the Solidenz Phone Case! This stylish and highly functional phone case will not only protect your smartphone but also add a touch of sophistication to your daily life. With its book design, it offers an intuitive user interface with the added feature of being able to be set horizontally. This manual will guide you step-by-step on how to use your new phone case.

Setting Up Your Solidenz Phone Case

Step 1: Unpack Your Case
Remove your Solidenz Phone Case from its packaging. Take a moment to appreciate the quality craftsmanship and stylish design.

Step 2: Insert Your Phone
Open your phone case like a book, revealing the internal holder for the phone. Align your smartphone's charging port, buttons, and camera with the respective cut-outs on the phone holder. Gently press your smartphone into the holder, ensuring it's securely snapped into place.

Step 3: Secure Your Phone
Close the Solidenz Phone Case, as you would close a book. Make sure your phone is protected on all sides. The magnetic closure will keep the case securely shut when not in use.

Using Your Solidenz Phone Case

Step 1: Accessing Your Smartphone

To use your smartphone, simply open the cover of the case. The automatic wake/sleep function will activate your smartphone screen upon opening.

Step 2: Making the Most of the Book Feature

For hands-free viewing or video calling, fold the front cover back. This will create a sturdy horizontal stand. Adjust the angle to suit your needs.

Safety Guidelines

Please adhere to the following safety guidelines to ensure the longevity of your Solidenz Phone Case and the safety of your smartphone:

1. Do not expose your phone case to extreme temperatures. The materials used in this case can be sensitive to high heat or extreme cold.
2. Avoid contact with sharp objects. While the case is designed to protect your smartphone, sharp objects can cause damage to the case itself.
3. Clean your case gently. If necessary, clean your phone case with a slightly damp cloth and mild soap. Avoid using harsh chemicals or abrasive cleaners.
4. Do not attempt to modify or disassemble your phone case. The case is designed for specific models of smartphones. Attempting to modify it may cause damage and void any warranties.

Thank you for choosing the Solidenz Phone Case. We trust that you will enjoy the blend of style, functionality, and protection that this case offers. If you have any questions, please don't hesitate to contact our customer service team.
