### CMR and APPENDIX C DECLARATION OF CONFORMITY

#### CMR Restrictions

The above listed toys do not contain substances that are classified as carcinogenic, mutagenic or toxic for reproduction (CMR) of category 1A, 1B or 2 under Regulation (EC) No 1272/2008 shall not be used in toys, in components of toys or in micro-structurally distinct parts of toys.

By way of derogation, substances or mixtures classified as CMR of the categories laid down in Section 3 of Appendix B may be used in toys, in components of toys or micro-structurally distinct parts of toys provided that one or more of the following conditions is met:

- (a) these substances and mixtures are contained in individual concentrations equal to or smaller than the relevant concentrations established in the Community legal acts referred to in Section 2 of Appendix B for the classification of mixtures containing these substances;
- (b) these substances and mixtures are inaccessible to children in any form, including inhalation, when the toy is used as specified in the first subparagraph of Article 10(2);
- (c) a decision in accordance with Article 46(3) has been taken to permit the substance or mixture and its use, and the substance or mixture and its permitted uses have been listed in Appendix A.

#### Appendix C

The above listed toys do not contain substances that are restricted in Appendix C of the Toy Safety Directive. Appendix C lists restrictions for toys intended for children under 3 years old or are intended to be placed in the mouth.

Declaration: I hereby confirm that the above products meet the requirements of the above stated legislation.
