MANUAL

The Robust is a great all-round Power Bank if you live an active lifestyle, and require your devices to keep up with whatever you do. The Solar Charger is splash-proof, drop-resistant, and has a powerful integrated LED flashlight, making it the perfect all-round Power Bank.

Due to the rubberized housing and the protected openings this \$olar Charger is protected against splashing of water from any direction to the IPX4 classification.

All Xtorm Solar Chargers are equipped with extremely efficient solar panels. With an efficiency of 22%, these panels can generate a lot of power with a small surface area. These SunPower® panels are the best solar panels available on the consumer market.

Xtorm Power Banks are always pre-charged. This means you can start using your new Power Bank from the moment you remove it from the box.

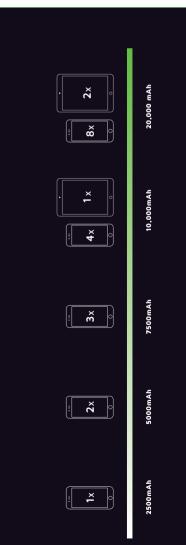

All Xtorm products have a 2 year warranty in case something goes wrong. We ensure that you will receive a replacement if the product fails within 2 years.
