**European Data Act informatieverplichting**

**Data Notice I Polar Global**

We are committed to ensuring transparency, security, and compliance with the European Union's Data Act (2023/2854) in how we manage your data. This Data Notice outlines how Polar Electro Oy and its subsidiaries (collectively referred to as "Polar") handle your personal and non-personal data when you use our services and applications. It explains what data we collect, how and why we use it, how long we keep it, and how you can manage it.
