

# PORTABLE AIR CONDITIONER

Model : DA9KSWE

|  |               |
|--|---------------|
| Cooling Capacity:  | 9000Btu/h     |
| Rated Voltage:   | AC220-240V    |
| Rated Frequency:   | 50Hz          |
| Cooling Rated Input Power:                                       | 1003W         |
| Cooling Rated Input Current:                                     | 4.5A          |
| IP Code:   | IPX1          |
| Sound Power Level:   | ≤ 65dB(A)     |
| Refrigerant Charge:  | R290 180g     |
| Net Weight:  | 23.5kg        |
| Maximum suction/exhaust<br>side working pressure                 | 0.7MPa/3.2MPa |
| Maximum permissible<br>pressure on the high/low<br>pressure side | 3.2MPa        |
| Heat exchanger maximum<br>allowable pressure                     | 3.2MPa        |
