COMPLETELY CLEAR &
SCRATCH-RESISTANT
PHONE CASE

IMPACT READY

A completely clear case that gives you the chance to admire the sublime beauty of your iPhone's original design. This hygienically clean case protects your iPhone – and its camera – in every way while the in-built UV-resistant materials ensure it won't yellow or discolour in sunlight.

10ft/3m IMPACT PROTECTION

As tested by our scientists, this clear and compact case will protect your phone from drops and scratches.

BUILT-IN HYGIENIC PROTECTION

Made with a material that helps keep your case clean by reducing microbes by up to 99.99%.

TOTALLY TRANSPARENT

This slim phone case will never fade or yellow in the sunlight.

SCRATCH-RESISTANT

The unique, self-healing design of this case fully protects against scratches.

Available for all new iPhone devices
