

KRUPS

EVIDENCE EA89 - FULLY AUTO ESPRESSO MACHINE
FULLY AUTO EVIDENCE MET CHROME WITH XS6000
EA891C10

Because details matter

Designed as the full package for perfect coffee drinks at home, the KRUPS Evidence **automatic espresso machine** produces flawless results down to the last detail. Create outstanding drinks from bean to cup with 15 different presets that cover all your favorites, with the KRUPS Quattro Force system for a difference you can taste and a sleek aesthetic that's perfectly suited to any kitchen.

PRODUCT BENEFITS

EVERYTHING YOU NEED FROM PERFECT ESPRESSO TO DELICIOUS CAPPUCCINO

Covering every detail from bean to cup with total speed and ease, discover perfect coffee drinks at home, all with a stylish and sleek aesthetic.

A FULL VARIETY OF AUTOMATIC COFFEE DRINKS

15 flawless coffee drink presets provide all your favorites, for aromatic espresso, creamy one-touch cappuccino, indulgent lattes, delicious lattes made two at a time, and tea drinks with variable temperature settings, all brewed to perfection with total speed and ease.

SLEEK AND MODERN AESTHETIC

Outstanding results are matched by stunning style, with a modern and sleek brushed steel aesthetic that fits seamlessly into any kitchen.

ADD A SHOT OF ESPRESSO FOR AN EXTRA BURST OF FLAVOR

Give your favorite drink an upgrade with an extra shot of espresso, delivering a burst of energy and bold flavor straight to your cup, or use the dark setting for robust and powerful coffee.

INTUITIVE OLED CONTROLS

Natural and intuitive OLED control panel with tactile touch controls produces easy results in no time, giving you full control over every step of the drink-making process.

EXCEPTIONAL DESIGN AND EASE-OF-USE

An all-new design improves the coffee drink experience, with large capacities (2.3 L water tank and 260 g bean container) coming together with optimal dimensions and ergonomics in one comfortable, easy-to-use machine.

LONG-LASTING PERFORMANCE THROUGH AUTO-RINSE

Limit scale build-up and keep maintenance to an absolute minimum with an automatic drainage cycle of the steam nozzle, for long-lasting performance.

ADVANCED TECHNOLOGY FOR FLAWLESS COFFEE

KRUPS Quattro Force optimizes every step of the espresso-making process from bean to cup: with 20% faster grinding, ultraflat tamping, outstanding percolation and advanced drainage for long-lasting performance.

IDEAL MILK JUG

A milk jug is included with the machine for an easier user experience, letting you enjoy all your milk-and-coffee drinks in total comfort.

** compared to existing range of bean grinders in other automatic espresso machines by the same manufacturer*
