

# CAUTION

Original and used batteries are not to be mixed. Exhausted batteries are to be disposed of by an adult. Batteries are to be inserted with the correct polarity. The supply is not to be recharged. Rechargeable batteries are to be removed from the toy immediately after use and be charged under adult supervision. Leaked or damaged batteries are not to be used.

Batteries of any other type are recommended to be used. Do not expose to any source of heat, water or direct sunlight. Do not touch immediately if you make contact with leaked liquid from the battery. Do not touch rechargeable batteries, please regularly recharge them. Only a charger of the same or type as the one supplied should be used.

Do not dispose of in fire.

Do not use on individuals that may trigger epilepsy in sensitised individuals.
