[MonsterProducts.com/hdmi](http://MonsterProducts.com/hdmi)

## Monster® Lifetime Cable Upgrade

As digital sources and displays continue to improve, the bandwidth requirements of the cables will increase. If the equipment you purchase in the future ever surpasses the bandwidth of this Monster Cable®, Monster will upgrade your cable.

### Monster Green Packaging and Product Design

This package can be recycled. Recycling programs for this package may not exist in your area.

Monster is proud to comply with the Green Dot package recycling and reclamation program.

Do not dispose of product in trash. Ensure safe disposal with a certified company.

To protect consumer safety and reduce pollution, this product complies with international RoHS standards, strictly limiting the use of hazardous materials such as lead and cadmium.

## Why Monster Invented V-GRIP™

Many HDMI cables can easily become disconnected when the TV is moved such as when cleaning around the TV is on an articulating mount. Monster's exclusive V-GRIP™ connector is designed to provide a more secure connection.
