Asfora makes life easier

With its sleek and elegant designs, the Asfora range delivers everything today's wiring devices should.

Your customers will appreciate the ease-of-use and wide range of everyday functions offered by Asfora wiring devices, designed to be as pleasing to the touch as they are to the eye.

50+

functions

Up to 6 gangs

Whether it is for a home or small office, Asfora multi-gang cover frames are designed for easy handling during installation and a neat and tidy appearance, with several functions housed in a single unit.

Light and comfort

Help your customers get the most out of their home interiors with unique lighting ambiances for each room and each time of day.

Switch

Switch with locator lamp and icon

Dimmer

Roller blind switch

Connectivity

Help your customers to keep the digital world close at hand. They can access all media from a single jack or enjoy music from a single source throughout the home.

TV/R/SAT socket

RJ45 data socket

Loudspeaker socket

Protection

Socket outlets with shutters protect your customer from touching the metal parts under tension. IP44 products are often required in the bathroom and kitchen to protect from water splashes.

Socket outlet with lid

IP44 socket outlet with lid

New IP44 gaskets

In wet areas or conditions, switches and socket outlets must conform to strict regulatory standards, which state that they must be splash proof.

The new IP44 gasket for switches and single socket outlets has the advantage of being more universal, even on uneven surfaces. Moreover the gasket is flexible in the area of the box screws, so the screws do not need to be removed for installation. This makes installation quick and easy.

Quick and easy to install

Universal shape
Also suitable for
uneven walls

Flexible in the area of
box screws
No need to remove
screws for installation

IMPROVED!

Splash proof

Asfora IP44 gasket

The new generation of inserts for switches and single socket outlets

New inserts – new and improved features!

At Schneider Electric, we listen to your feedback and understand what you need to make your daily work routine easier and more efficient. This is why we recently improved the quality and functionality of inserts for the Asfora range. The updated Asfora range now features smaller, more compact inserts, a profiled fixing frame, improved wire inlets and release buttons, and wide, profiled claws with a return spring.

NEW!

- + easy
- + fast
- + convenient

socket outlet insert

switch insert

Asfora pin earth

Asfora side earth

Smaller and more compact inserts

Smaller and more compact inserts

give better insert rotation on box screws, more space to manage wires in the box, and a better view inside the box

Redesigned insert shape

offers additional handling grips for better handling

Improved fixing frame and claws

For a simple, fast, and safe installation

Thanks to their redesigned mechanism the claws extend out straight and smoothly, ensuring a perfect alignment to the wall boxes during assembly. Moreover they ensure that the insert fixes securely in the box.

Clear connection diagram, improved wire inlets for switches, and better shaped release levers for screwless switches

Our innovative new features will make all the difference to your daily installation workflow.

Installation

You must reduce the maximum allowed load due to the decreased heat dissipation when the device is not mounted into a single standard flushmounted mounting box.

| Load reduction by | Mounted in cavity walls ⁽¹⁾ | Several installed together in combination ⁽¹⁾ | In 1-gang or 2-gang surface-mounted housing | In 3-gang surface-mounted housing |
|-------------------|--|--|---|-----------------------------------|
| 25 % | ■ | ■ | | |
| 30 % | | | ■ | |
| 50 % | | | | ■ |

(1) If several factors apply, add the load reductions together.

Connections

2-way switches – EPH64001xx - EPH65001xx

2-way switch – EPH66001xx

Substitution examples

Green Premium™

An industry leading portfolio of offers delivering sustainable value

More than 75% of our product sales offer superior transparency on the material content, regulatory information and environmental impact of our products:

- RoHS compliance
- REACh substance information
- Industry leading # of PEP's*
- Circularity instructions

Discover what we mean by green

[Check your products!](#)

The Green Premium program stands for our commitment to deliver customer valued sustainable performance. It has been upgraded with recognized environmental claims and extended to cover all offers including Products, Services and Solutions.

CO₂ and P&L impact through... Resource Performance

Green Premium brings improved resource efficiency throughout an asset's lifecycle. This includes efficient use of energy and natural resources, along with the minimization of CO₂ emissions.

Cost of ownership optimization through... Circular Performance

We're helping our customers optimize the total cost of ownership of their assets. To do this, we provide IoT-enabled solutions, as well as upgrade, repair, retrofit, and remanufacture services.

Peace of mind through... Well-being Performance

Green Premium products are RoHS and REACh compliant. We're going beyond regulatory compliance with step-by-step substitution of certain materials and substances from our products.

Improved sales through... Differentiation

Green Premium delivers strong value propositions through third-party labels and services. By collaborating with third-party organizations we can support our customers in meeting their sustainability goals such as green building certifications.
