- Мощность: 1350 Вт

**The ideal family size Aerofryer**

Cook anything you like from crispy fish and chips to grilled meat and chicken using the large volume of 3.5 litres of this appliance. 10 preset programs are readily available on the touch screen, so you can have your favourite meal on the table in no time!

**Healthy frying using no oil**

Convection technology lets you keep that perfect, crispy result without using any additional oil and without losing any of the taste. Just set the temperature up to 200°C and quickly create the perfect dish using 1350 watts of power.

**Safe and simple to clean**

The basket and aeroplate are provided with durable non-stick coating, which makes the item very easy to clean. In addition to its high durability, the non-slip feet and cool-touch handle ensure that you can safely start and finish air frying, baking and cooking recipes!
