WARNING! This helmet cannot protect against all possible impacts. Serious injury may result if the helmet is not worn properly.

WARNING! After receiving an impact, the helmet may be damaged to the point that it is no longer adequate to protect the head against further impacts. This damage may not be visible to the user. A helmet that has sustained an impact should be destroyed and replaced.

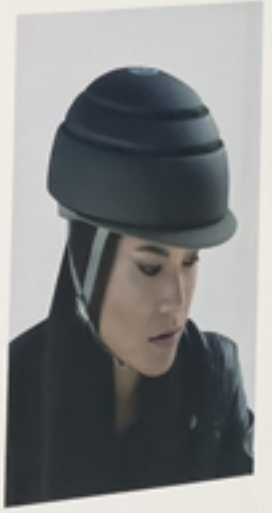

WARNING! This helmet can be damaged by contact with common substances like certain solvents or oils. This damage may not be visible to the user. Clean your helmet carefully, only with mild soap and water. Read the instruction manual for more specific care and cleaning information. Made in China, designed in Valencia.

 Complies with U.S. CPSC Safety Standard for Bicycle Helmets for Persons Age 5 and Older

 Complies with E.U. EN 1078:2012+A1:2012 Helmets for Pedal Cyclists and for Users of Skateboards and Roller Skates

Closca is a brand born today with an eye on tomorrow, the place where you already are.

Designed in Valencia by Closca and CuldeSac

Portable & Connected

Cities have their own design language. Put the helmet into any purse or backpack with the most efficient portable system and use the NFC chip on the top of the helmet to connect with your smartphone.

Double Safety Certificate

Closca Helmet exceeds the strictest international safety certifications (CPSC and EN1078). The helmet stays locked and secure while your head is inside, but folds smoothly in a second when you're not using it.

Sleek and Customizable

Embrace your uniqueness by customizing your helmet with Closca's original interchangeable accessories. Combine it with your daily looks, play around with visor colours, add a reflective option or keep yourself warm in the chillier months.

Design your Attitudes.
