**MAGNA-TILES®** **DINO WORLD**

Little paleontologists will immerse themselves in the Prehistoric world through thrilling, educational, screen-free play!

**Did you know?**  
The word "dinosaur" originates from the Greek words "deinos (terrible)" and "sauros (lizard)."

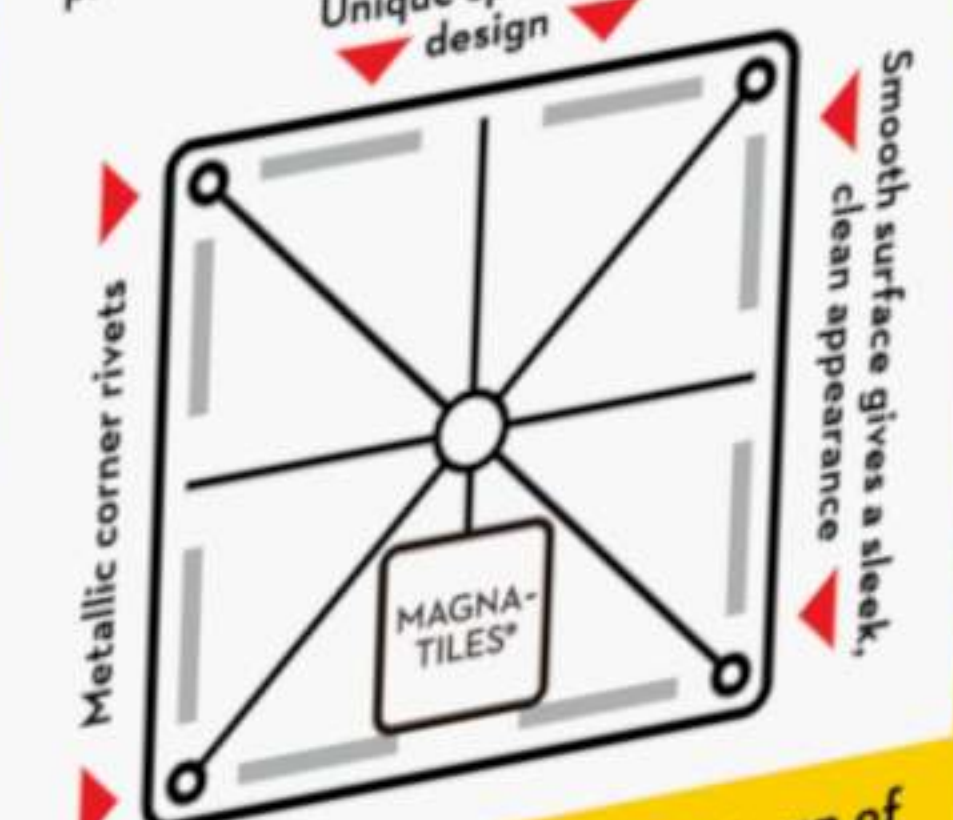

**Pteranodon**  
This high flyer had a wingspan that grew up to 18ft, longer than most cars today.

**Stegosaurus**  
This large plant eater had a brain the size of a ping pong ball and defended itself with a powerful spiked tail.

**Velociraptor**  
This fast-moving predator has long been misunderstood - it actually had small feathers, but couldn't fly.

**Tyrannosaurus Rex**  
This ferocious carnivore had 60 razor sharp teeth and a powerful bite that was 3 times as powerful as that of a lion.
