

OUR CERTIFICATION

All indicators meet the standards

The image displays six sample certificates of conformity from WJT Technology Co., Ltd. Each certificate is for a different product and lists various technical standards and test methods. The certificates are for products like 'Ceramic Water Filter', 'Ceramic Water Filter', 'Ceramic Water Filter', 'Ceramic Water Filter', 'Ceramic Water Filter', and 'Ceramic Water Filter'. The standards mentioned include FCC Part 15 Class B, CE, RoHS, and others. The certificates are arranged in a row, each with its own WJT logo and 'CERTIFICATE OF CONFORMITY' header.

A world map with lines connecting to various countries and their national flags. The countries listed are Canada, America, Brazil, British, Germany, French, Russia, Korea, and UAE.

Our customers cover all over the world, mainly in Europe and North America, as well as Australia, Southeast Asia, Africa, Asia and other regions.
