

TITLE 4: TIPS

- Pay attention to the circle of cards. If you break the circle, you have to take a shot.
- The first one to break a rule "till your next turn"/ "the last to join"/ "till the end of the game", needs to take a big sip.
- If it is a rule "till the end of the game", put the card in the center of the table where it's visible to everyone and do not add it to the discard pile until someone breaks the rule.
