| D  | <p>Consequently, no comprehensive plan for addressing gaps can be put forward at this point in time. In response, the Executive Vice-Chairman will lead a special task force to develop recommendations. Other Directors will be asked to provide feedback on the recommendations.</p>   |
| OB | <p>The ultimate aim remains to implement a system-wide, multi-tier approach to addressing gaps in the curriculum. Several dimensions of this approach will be considered:</p> <ul style="list-style-type: none"> <li>- The development of a framework for identifying gaps in the curriculum;</li> <li>- The development of a framework for addressing gaps in the curriculum;</li> <li>- The development of a framework for monitoring and evaluating the effectiveness of the system-wide approach.</li> </ul> |
| PR | <p>I am grateful to the Executive Vice-Chairman for his leadership in this regard. I would like to emphasize that our focus must remain on the implementation of the system-wide approach to addressing gaps in the curriculum. This is a critical priority for the Board.</p>   |
| IT | <p>I thank Mr. Pappalardo, Mr. M. V. M. and Mr. G. S. for their leadership in this regard. I would like to emphasize that our focus must remain on the implementation of the system-wide approach to addressing gaps in the curriculum. This is a critical priority for the Board.</p>   |
| NI | <p>I thank Mr. Pappalardo, Mr. M. V. M. and Mr. G. S. for their leadership in this regard. I would like to emphasize that our focus must remain on the implementation of the system-wide approach to addressing gaps in the curriculum. This is a critical priority for the Board.</p>   |
| PL | <p>Mr. Pappalardo, Mr. M. V. M. and Mr. G. S. have done an excellent job in leading this process. I would like to emphasize that our focus must remain on the implementation of the system-wide approach to addressing gaps in the curriculum. This is a critical priority for the Board.</p>  |
