

BLOOMY LOTUS  
PEBBLE

# BEAUTY DIFFUSER

---

Deep Relaxation in the Palm of Your Hand

Let the stress of traveling melt away with our sleek, high performance Portable Beauty Aromatherapy Diffuser. Whether in your hotel room, office or car, this compact, patented air diffuser offers pure, natural fragrance for a relaxing, pleasant environment.

# Moisturizing Technology

Over 150KHz ultrasonic technology  
creates M/M or V vibrations in  
minutes to break the skin molecules.  
Two-dimensional waves with energy  
and finely atomize the skin, deepening  
the skin's absorption of your skin care

BLOOMY LOTUS

# Fill With Your Favorite

Use Facial Toner or Facial Oil from  
Essential Oil™ series to help refine  
the moisture your skin already has.

# Compact and Portable

*With its compact size, it fits in a briefcase or bag, making it a perfect companion for those who are always on the go. Its sleek design and high-quality materials make it a stylish addition to any office or home.*

## Long Battery Life

The BLOOMY LOTUS is covered in the Longest Working Time in the market. The device can run up to 120 minutes in a single charge with X-Longpower Water Tank. It also comes with an extra delivery of water tank for users hydrated every 20 minutes.

# Ergonomic Design

The open lotus form and  
cuboid design was formed to  
be comfortable in use, by  
providing a strong grip  
and balance, tempering
