sportpods

Introduction:

Before using your sportpods for the first time, please take a few moments to read through the user manual.

Bluetooth operation:

1. Activate your phone's Bluetooth function and enter its searching mode.
2. Press & hold the multifunction button (1) on your sportpods until the LED (4) flashes red & blue – this will activate the pairing mode. Please note the pairing will take approx. 5 seconds.
3. Your mobile phone will find "sportpods", connect to this and wait until the LED (4) has turned to a slow flashing blue. This indicates that your sportpods are now successfully connected.

Controls:

- Answer call press (1)
- Reject call press (1) and hold
- Redial last number press (1) twice quickly.
- Voice dialling press (1) hold until you hear a foot sound then follow phone commands.
- Switch calls double press (1)
- Skip forward tracks press (2)
- Skip backward press (3)
- Volume up press and hold (2)
- Volume down press and hold (3)
- Pause press (1)

Charging :

To charge, simply connect the USB cable end directly to a PC, laptop or mains USB & the Micro USB end to your sportpods (5), the LED will be constantly red whilst charging and when its fully charged the light will go out.
