

Rainbow™ ANGLE CIRCLES

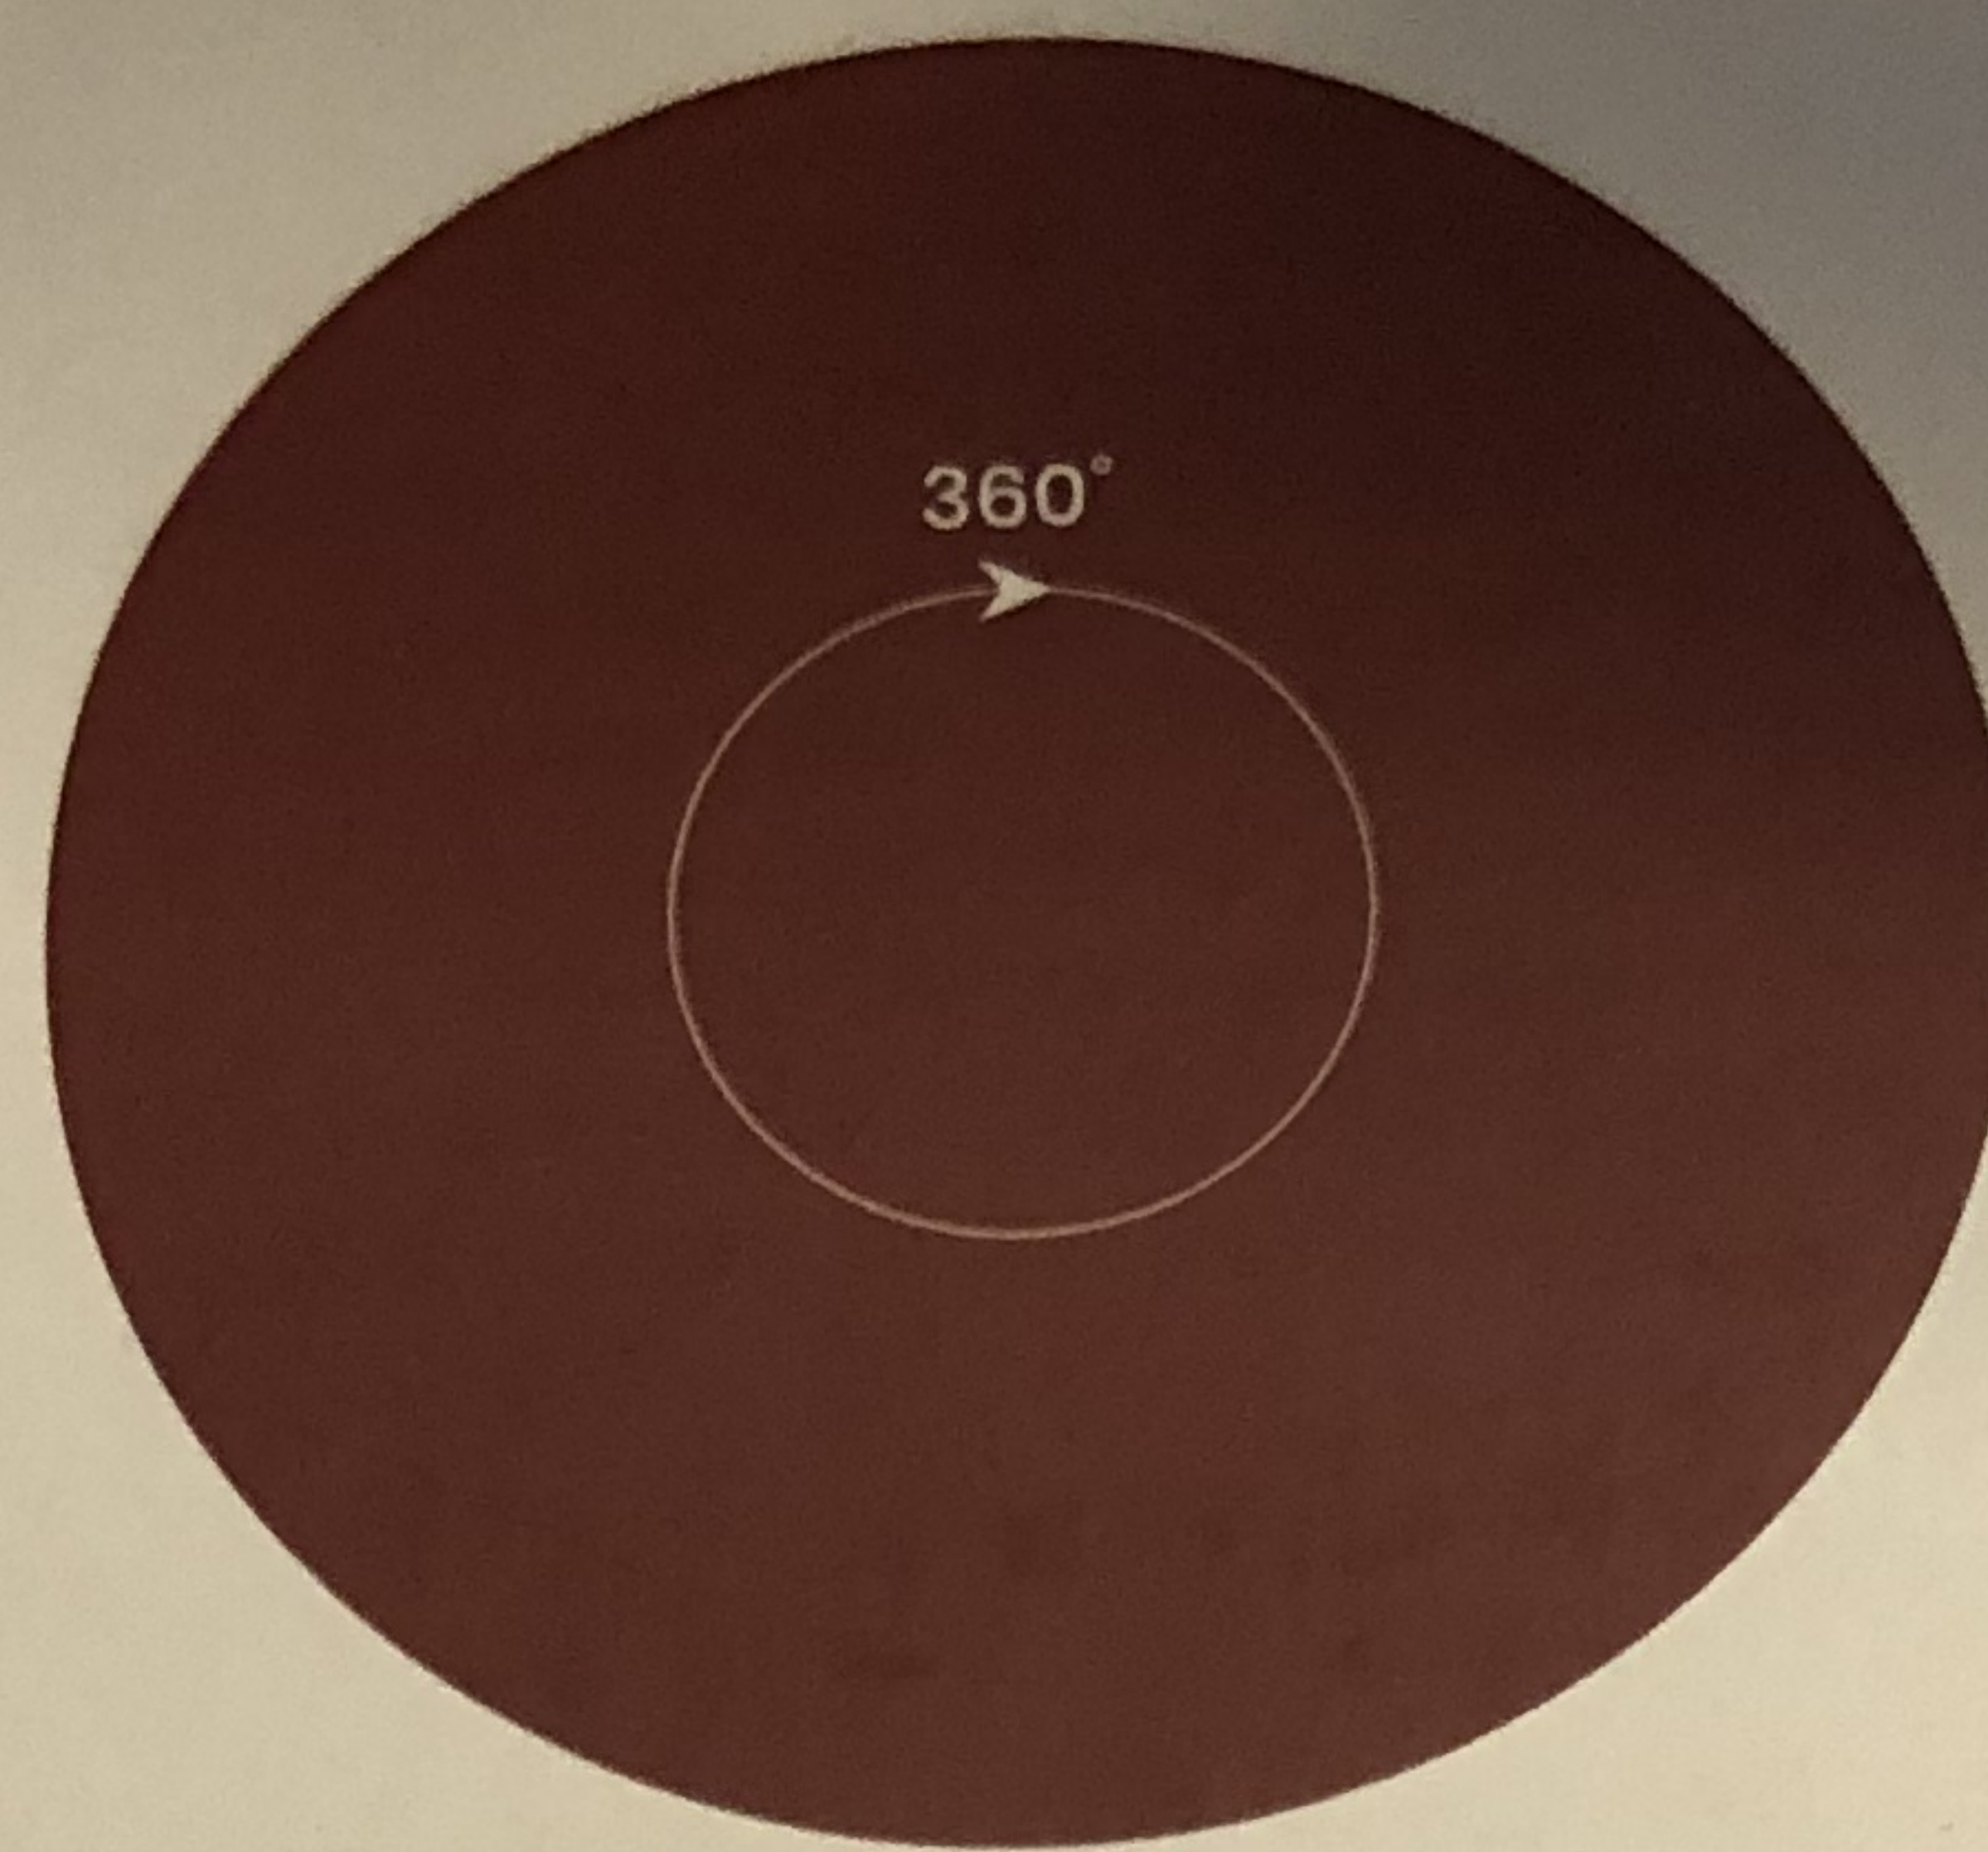

SMALL GROUP SET

Explore angles in a fun, engaging way!

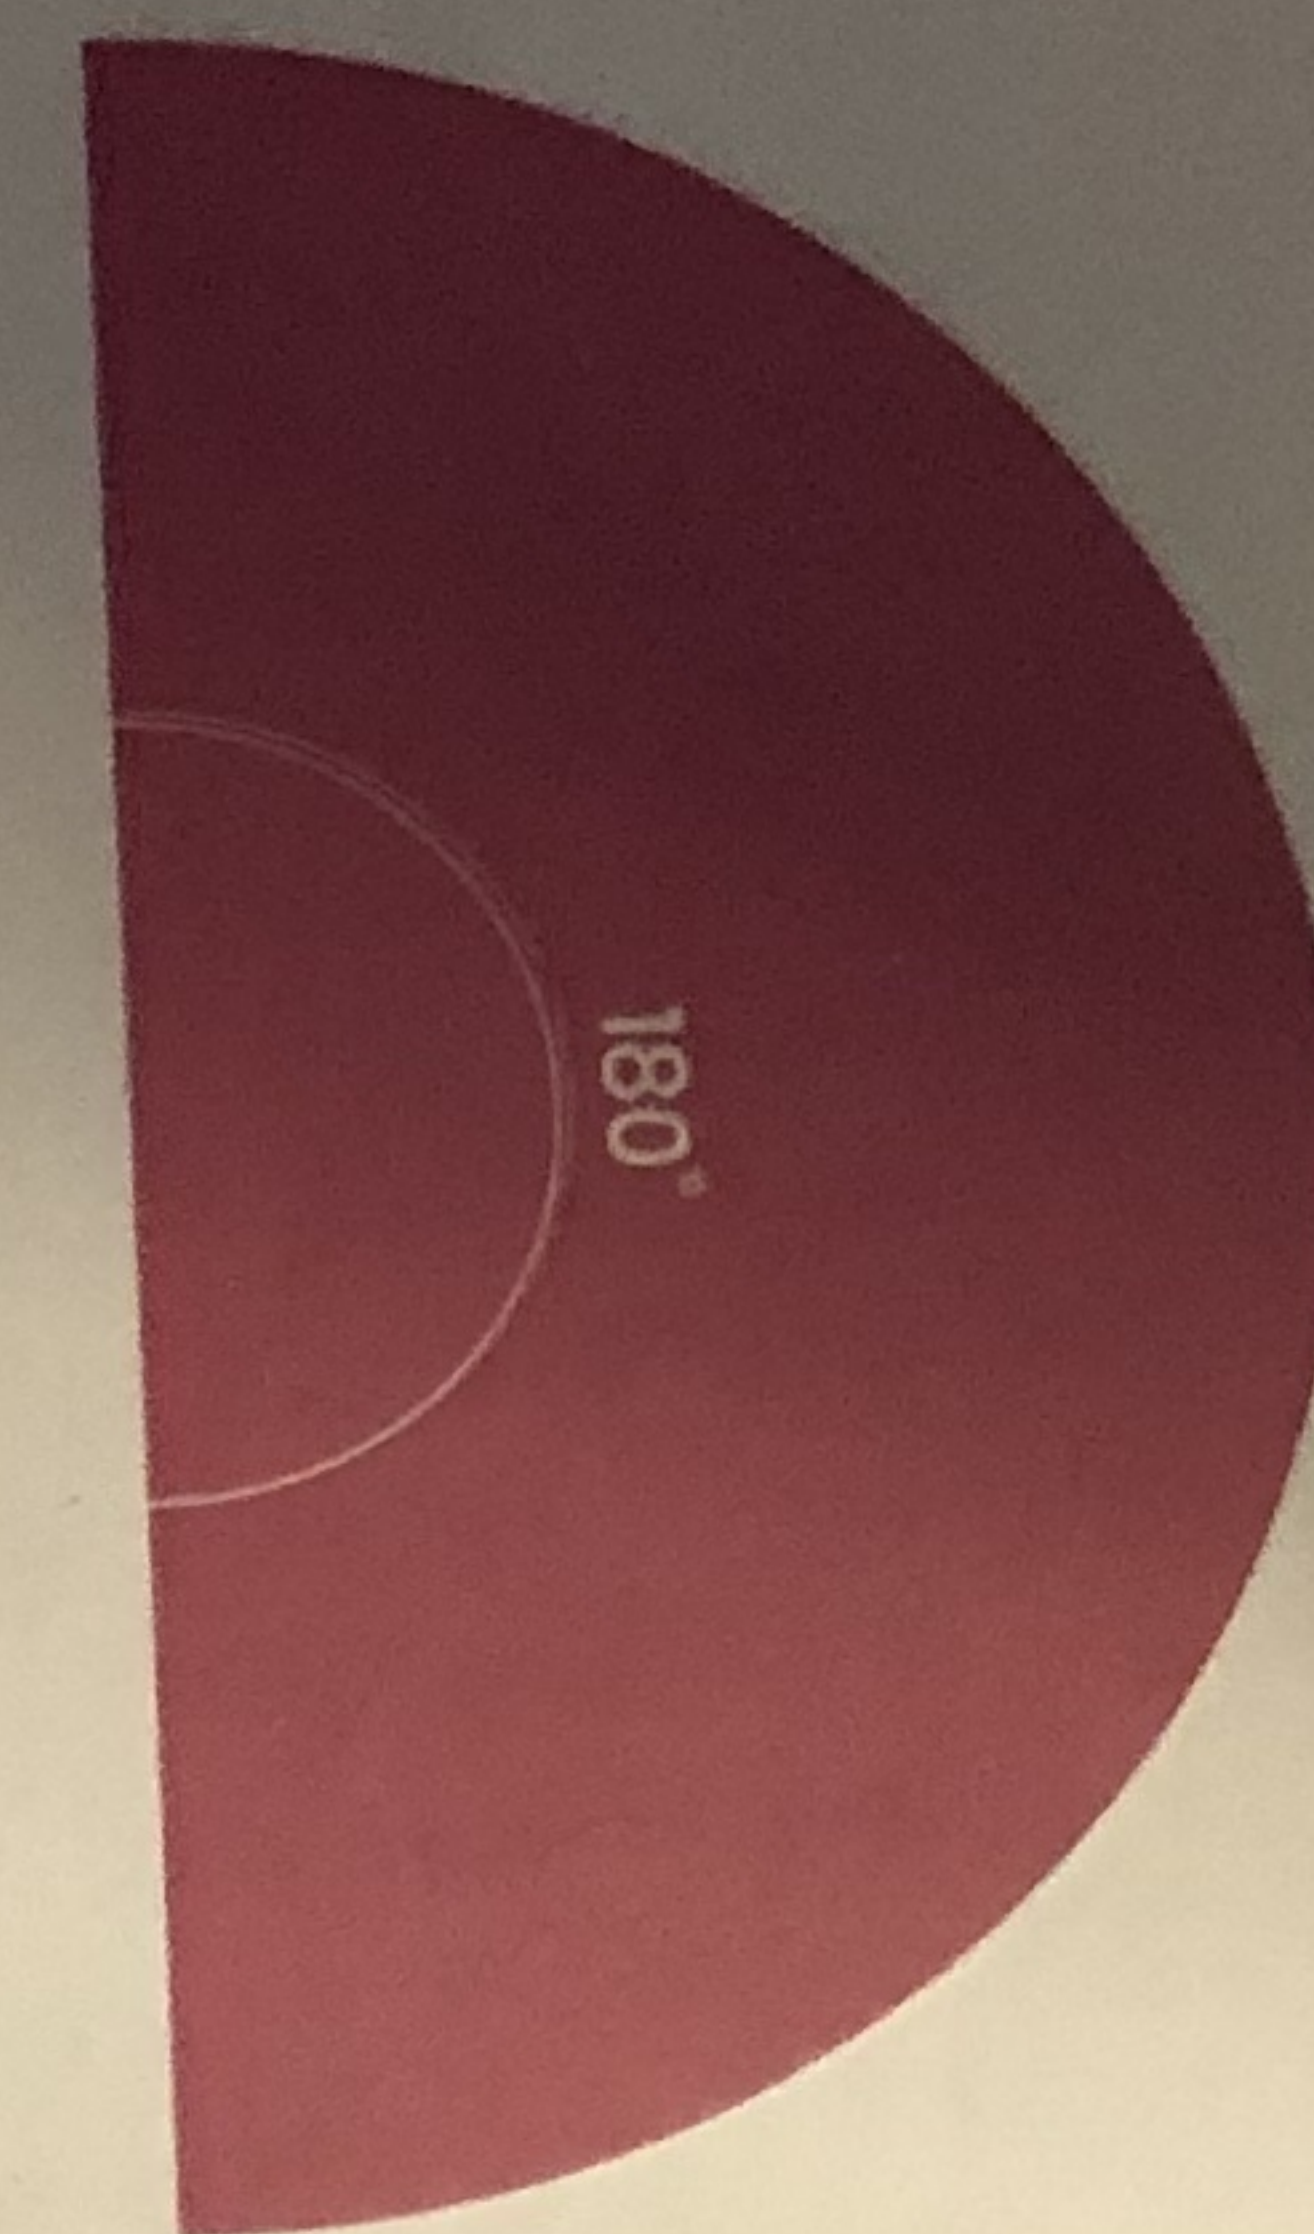

Durable, brightly-colored manipulatives help students visualize angles through hands-on play. The color-coding matches the Rainbow Fraction Teaching System®, enabling students to develop connections between angles and fractions. The set contains 6 sets of 36 plastic segments and 4 Getting Started activities.

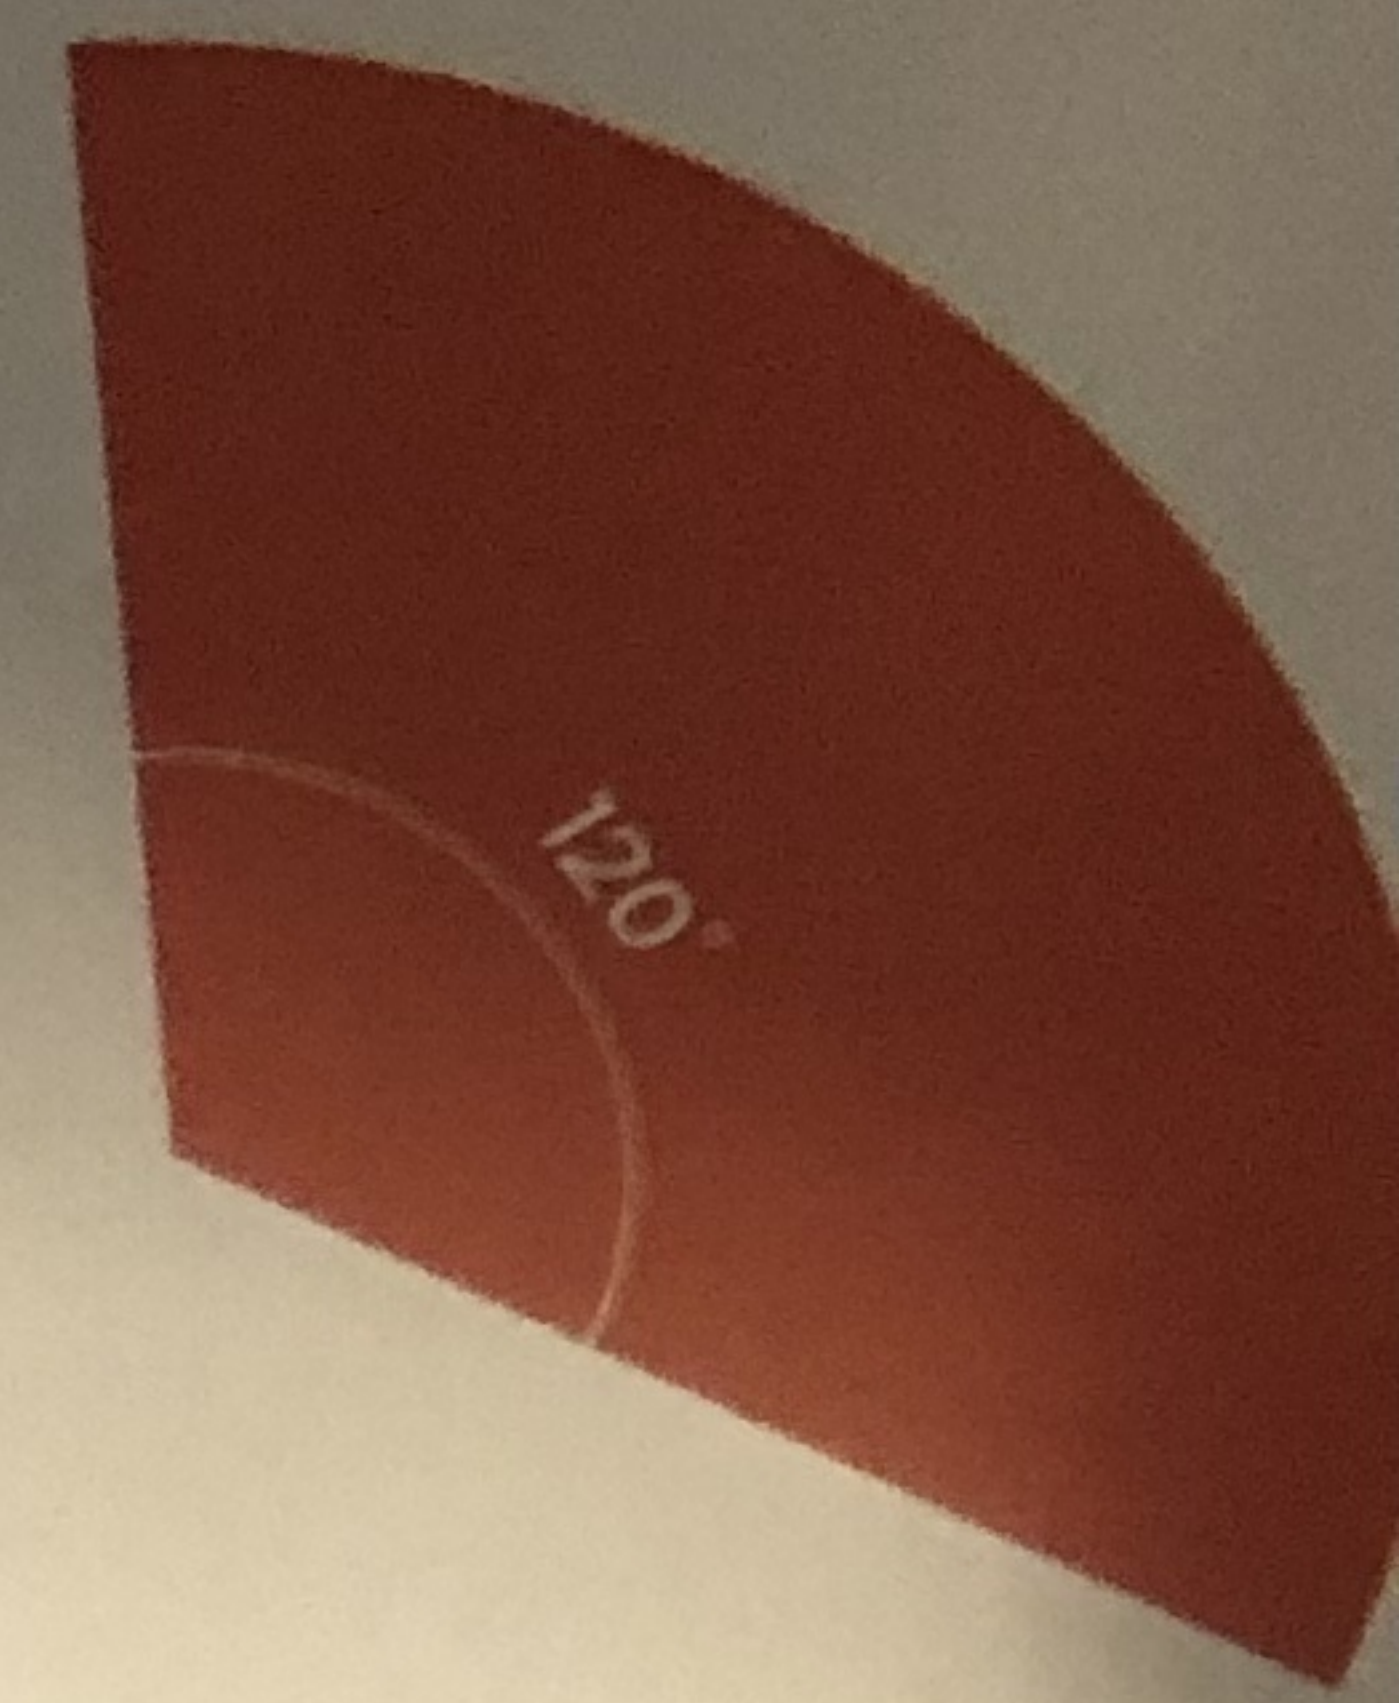

The sequence and selection of colors of all fraction pieces are a trademark of Learning Resources, Inc.
