

Oxford CLIQR Motorcycle handlebar mount

▼ More Information

► Options & Sizing

Description:

CLIQR range is manufactured from glass-filled nylon due to its superior mechanical properties, light weight and durability.

CLIQR uses a dual locking, fail-safe mechanism to mount almost any device in the most convenient position for you. Simply stick the CLIQR device adaptor onto the back of your device and CLIQR it into the mount in the orientation that suits.

The CLIQR Handlebar Mount allows you to position your device beside your controls for convenient viewing at a glance, perfect for navigating on the move.
