

(4) Using the HDX Pro C

The drive is formatted as exFAT, which is compatible with Windows and Mac. Users may reformat the drive if needed.

- <https://oyendigital.com/format>

The HDX does not include pre-installed software. For data backup software, we recommend the following:

Windows

- Windows backup - <https://bit.ly/3AaGx8e>

Mac

- Time Machine - <https://support.apple.com/en-us/HT201250>
- Carbon Copy Cloner - www.bombich.com

(5) Ejecting the HDX Pro C

Windows: Close applications that are accessing the drive. Click the “Eject Hardware” (Safely Remove Hardware) icon in the system tray and highlight the drive. Wait for a few seconds until the system prompts “You may safely remove this device.”

MAC: Close applications that are accessing the drive. Drag the external drive to the Trash/Eject icon. After the disk icon has disappeared from the desktop, you may safely disconnect the drive.

(6) Warranty and Support

This product includes a four (4) year repair/replacement warranty provided by Oyen Digital. This warranty is non-transferable and is limited to the original purchaser. Warranty service may be requested by completing the form at the following link:
