

MCS FORMULAS LYCOPENE PLUS,

a lipophilic & unsaturated carotenoid. Lycopene is mostly found in red-colored fruits such as tomatoes, watermelon, pink grapefruit and papaya. Our formula contains Lycopene without animal components such as the bovine gelatine often used in softgels.

If you are pregnant, nursing, taking any medications or blood thinners, please consult your healthcare practitioner before taking any dietary supplements. This product is not intended to diagnose, treat, cure, or prevent any disease.

Food supplements should not be used as a substitute for a varied and healthy lifestyle. Keep out of reach from children. Do not exceed the daily intake recommended by your healthcare provider.
