Gebruik/How to apply/ Anwendung/Utilisation Beard Oil

NL - Gebruik: 1. Druppel de gewenste hoeveelheid olie in je handpalm. 2. Wrijf beide handpalmen voor een gelijke verspreiding van de olie. 3. Masseer de olie in je baard en de huid daaronder. 4. Maak gebruik van onze houten kam om je baard in model te kammen en de olie gelijkmatig te verdelen.

EN - How to apply: 1. Drip a few of drops of beard oil into the palm of your hand. 2. Spread between both palms. 3. Apply to your beard and massage into your skin. 4. Comb your beard to spread the oil around evenly.

DE - Anwendung: 1. Tropfe etwas Bartöl auf deine Handfläche und verteile es dann gleichmäßig in beide Hände. 2. Massiere das Bartöl in deinen Bart und die Haut darunter. 3. Nutze anschließend eine Kamm oder eine Bürste um das Bartöl gleichmäßig in deinem Bart zu verteilen.

FR - Utilisation: 1. Versez quelques gouttes d'huile de barbe dans la paume de votre main. 2. Répartir entre les deux paumes. 3. Appliquez la sur votre barbe et massez votre peau. 4. Peignez votre barbe pour répartir l'huile uniformément.

Balm and oil are
Best when combined!
Wash first with our soap
(Blow) dry your beard
Style it with balm
Finish it with oil

Fresh & healthy look!

Gebruik/How to apply/Anwendung/ Utilisation Beard Balm

NL - Gebruik: 1. Neem een kleine hoeveelheid balm uit het potje. 2. Wrijf de balm met beide handpalmen voor een gelijkmatige verdeling. 3. Wrijf de balm goed in je baard. 4. Gebruik daarna onze houten kam om je baard in model te kammen. 5. Gebruik voor de finishing touch Barbam baardolie voor het beste resultaat.

EN - How to apply:

1. Scrap with the top of your nail a small amount of the balm into the palm of your hand. 2. Spread between both palms.

3. Apply to your beard and massage into your beard, from the inside out and massage it back in shape.

4. Comb your beard with our wooden comb to spread the balm around evenly. 5. Use with one of our beard oils for the best results.

DE - Anwendung: 1. Nimm etwas Barbalm und verteile es dann gleichmäßig in beide Hände. 2. Massiere das Barbalm in deinen Bart und die Haut darunter. 3. Nutze anschließend eine Kamm um das Balm gleichmäßig in deinem Bart zu verteilen. 4. Verwende es in Kombination mit unserem Bartöl um das beste Ergebnis zu erhalten.

FR - Utilisation: 1. Étalez une noisette de baume sur vos mains. 2.

Répartissez le sur les deux paumes. 3. Appliquez le sur votre barbe en massant votre peau. 4. Puis peignez votre barbe pour répartir le baume également. 5. Utilisez nos huiles de barbes pour un résultat encore meilleurs!
