- This DAC converter is not compatible with Youtube or Netflix.
- This converter can only be powered by 5V 1A plug, please don't use other plug.

Digital to Analog Audio Converter

Specification:

Support Audio Format: PCM

Signal-to-Noise Ratio: 105DB

Separating Degree (1KHZ) : 94DB

THD+N: -90DB

Total Harmonic Distortion(THD): 10Hz~20KHz
0.25~0.065%

Blocking Time: 0.577Fs

Sampling Rate: 32~192 KHz

Input Electrical Level: $\pm 0.3V$

Output Electrical Level: 3V

Maximum Output Power: 0.3W

Earphone Output Power: 0-250mW

Output Impedance: 10 ohms

Working Voltage: +5V

Package Content:

1 x Digital to Analog Audio Converter

1 x IR Remote Control

1 x Toslink Cable (Optical Cable)

1 x USB Cable

1 x User Manual
