 The 12 advantages from our electric heating pad

- 1 Versatile Application:** Versatile, addressing muscle pain, menstrual cramps, backaches, and tense shoulders.
- 2 Flexible Heat Settings:** Users can choose the perfect temperature that suits their needs, from gentle relaxation to intensive warmth.
- 3 Targeted Heat:** Provides focused warmth to specific body parts, making it more effective in relieving pain and discomfort.
- 4 User-Friendly Design:** Simple and clear buttons make it easy to adjust the heat settings and set the timer for a hassle-free experience.
- 5 Extra Large Size:** Dimensions users can place the heat cushion over a larger area, making it suitable for use on different parts of the body.
- 6 Health Benefits:** The heat can also help promote relaxation, reduce stress, and improve overall sleep quality.
- 7 Automatic Shutdown:** Equipped with a safe automatic shutdown feature, turning itself off after a certain period to prevent overheating.
- 8 Soft and Breathable Fabric:** Made of soft and breathable fabric, making it comfortable on the skin and suitable for prolonged use.
- 9 Energy Efficient:** Energy consumption, the heat cushion is an environmentally friendly and cost-effective option for heat therapy.
- 10 Compact and Portable:** Designed to be compact and portable, making it easy to carry while traveling or use in different locations at home.
- 11 Long Lifespan:** Made from high-quality materials, the heat cushion is durable, ensuring it lasts long and delivers reliable performance.
- 12 Safety Features:** Comes with advanced safety features such as overheating protection and electrical malfunction safeguard, allowing users to enjoy the product with confidence.

Product: Electric Heating Pad - Size: 60 cm x 50 cm - Voltage: 220-240V - 50/60Hz - Power: 100W - Model: SK-08891-1-1 - Weight: 1.15 kg - Material: Polyester fabric, PU, PVC, and Cotton  
 CE RoHS RECYCLE  
 Manufacturer: SeraNova, Shenzhen, China  
 Marketing: SeraNova, Shenzhen, China
