This page includes information relevant to the REGULATION (EU) 2023/2854 OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL of 13 December, 2023 on harmonized rules on fair access to and use of data and amending Regulation (EU) 2017/2394 and Directive (EU) 2020/1828 (the Data Act).

According to Article 3(2) of the Data Act, before concluding a contract for the purchase, rent or lease of a connected product, the seller, renter or lessor, which may be the manufacturer, shall provide at least the following information to the user, in a clear and comprehensible manner:(a) the type, format and estimated volume of product data which the connected product is capable of generating;(b) whether the connected product is capable of generating data continuously and in real-time;(c) whether the connected product is capable of storing data locally or on a remote server, including, where applicable, the intended duration of retention;(d) how the user may access, retrieve or, where relevant, erase the data, including the technical means to do so, as well as the terms of use and quality of service.

The processing details of product data ("Available Data") generated during the use of the connected products provided by Blackview to the EU market are as follows:

Connected Product	Data Category	Format	Estimated Volume	Generation Frequency	Data Retention Period	Purpose	Third Party Sharing
Mobile phone and tablet	Power consumption information	Text	Depending on actual use	Real-time and continuous generation	12 months	Troubleshooting, product experience improvement, and other purposes.	No
	Temperature information	Text	Depending on actual use	Real-time and continuous generation	12 months	Troubleshooting, product experience improvement, and other purposes.	No
	Performance information	Text	Depending on actual use	Real-time and continuous generation	6 months	Troubleshooting, product experience improvement, and other purposes.	No
	Communication information	Text	Depending on actual use	Real-time and continuous generation	6 months	Troubleshooting, product experience improvement, and other purposes.	No
	Charging information	Text	Depending on actual use	Real-time and continuous generation	24 months	Troubleshooting, product experience improvement, and other purposes.	No
