(kg / m)

easy open touch-bar

Our touch bar is easy to open from any angle. If your hands are full, just tap with your elbow, bump with your hip or nudge with your knee - the possibilities are endless!

space-efficient hinge

Our specially shaped sleek hinge is designed to move up and out of the way for the widest opening possible.

smooth and even

Unique dampers and precisely angled springs control the lid so it opens smoothly and evenly.

stay-open lid

The lid stays open for as long as you like – great for food prep during cooking or long chores.

lift-off lid

Lid lifts off easily for a quick bag change.

gentle slider discs

Nylon discs under the can make it easy to slide and gentle on your floors.

bucket park

For easy bag change, lift the inner bucket a few inches, tilt it toward you, then rest it in the bucket park position.

custom fit liners

Our code H liners are designed to fit this can perfectly so they don't slip, and they stay completely hidden. Extra-thick plastic and double-seam construction prevent rips and tears.
