

TIPS

Please treat the doll as a real baby. Don't throw it and never sleep it on a table. Be gentle to your new partner, when moving any parts of the body. Enjoy your new partner. What's more, you can change their clothes as you like. Avoid to use ink to your baby dolls since they could be stained and permanently damaged.

To protect the fresh appearance and bright colors of your dolls, it's better to keep the dolls out of direct sunlight and to dust it regularly inside the folds of the costumes.

If your baby doll with hand rooted mohair, it's better to use a wide tooth comb and with some water. We highly recommend this doll for age 3 and up.

All our baby dolls conform to the safety requirements of ASTM F963 and EN71 for age 3+ years.
