Interaction

Self
Expression

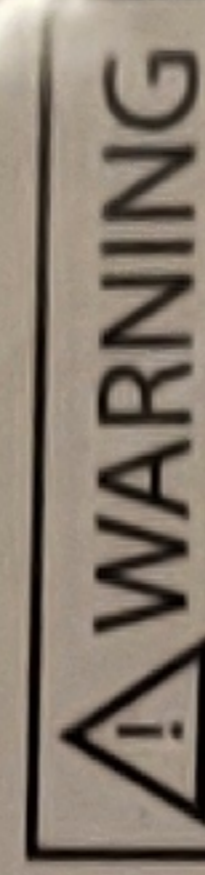

Cleaning Instructions

Do not wash;

Clean before use with a damp cloth.

Do not bleach. Do not iron.

Air dry only; do not dry clean.

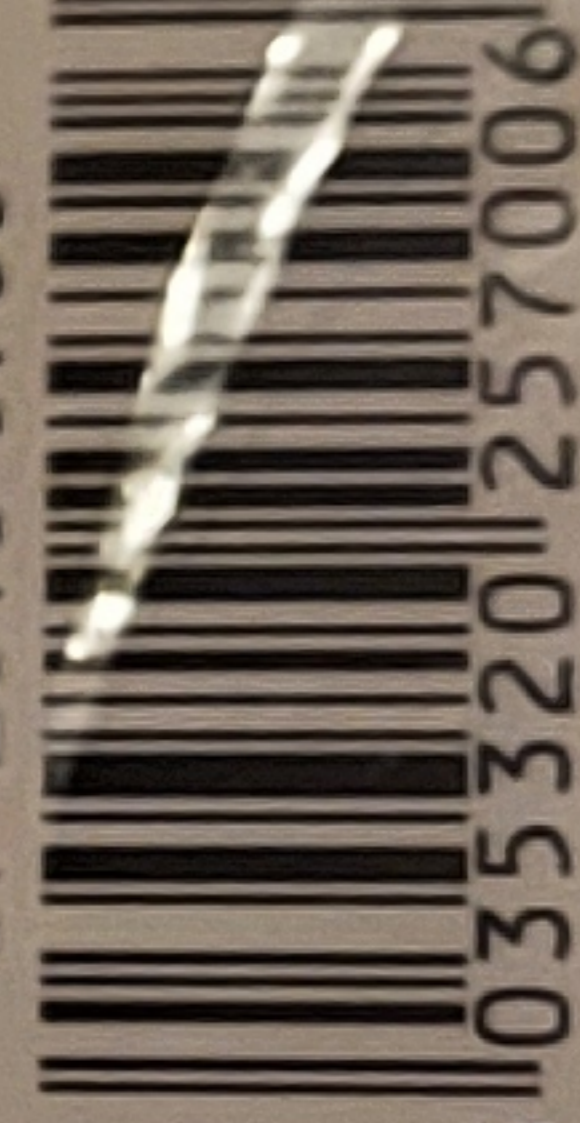

To Avoid any possible swallowing. Please keep small parts away from children. Remove all packaging material before giving toy to children. Babies and young children have no idea what is dangerous or poisonous and therefore harmful therefore supervision is essential.

Remove toy from cot before putting your baby to sleep. Some soft toys may shed fibres particularly when new. Please follow care label instructions.
