Letter of Conformity

To whom it may concern,

As a part of Epson's commitment to the compliance we continuously work on ensuring that all our products meet all the necessary legislative requirements.

This document declares that all the products offered by Epson conform to and meet the requirements for the CE Mark.

The declaration of conformity our Epson's products are available here:

https://www.epson.eu/en_EU/conformity

For more information about Epson's ethics program in Europe please refer to our website:

https://www.epson.eu/en_EU/about/ethics

Sincerely yours,

Boris Manev
