

Our award-winning portable blender bottle will keep up with your active lifestyle.

Blend your favorite smoothies, shakes, mixed drinks at the gym, at the beach, anywhere, anytime

Built with a powerful stainless steel and motor, you'll crush ice, nuts, and frozen fruit into a fine puree in seconds

Our blender with you fitting tightly in a cup holder (whether in your car or on any workout equipment) and with a tested lid seal to ensure you can safely toss it into a backpack or bag without worry.
