

 **WARNING !**

This helmet should not be used by children while climbing or doing other activities when there is a risk of strangulation/hanging if the child gets trapped with the helmet. Modifying or removing any of the original components of the helmet, or adapting for the purpose of fitting accessories other than as recommended by the manufacturer is dangerous. A helmet that has sustained an impact should be returned to the manufacturer for inspection, or be destroyed and replaced, the damage is not always visible. No helmet can prevent all injuries or death. For best protection, helmet must be properly fitted and adjusted to the wearer's head. Read manual and instructions. Clean only with water and mild soap, solvents may damage the helmet. Do not use this helmet on motor vehicles.
