

COLLAGEN POWDER

Hair, nail & skin support

Hyaluronic

Holland Rose® **Hyaluronic Collagen Powder** minimizes fine lines & wrinkles and improves skin elasticity and hydration. Holland Rose® **Hyaluronic Collagen Powder** is also great for rebuilding muscles, eyes and bones. It helps strengthen your nails & hair.

This pack contains a neutral flavour of Type 1 & 3 collagen. It makes an excellent addition to hot & cold liquids and is easily digested and absorbed by the body.

Hyaluronic Acid (HA) enhances the body's ability to produce and synthesize, or use, collagen. By taking collagen and HA together, you're increasing the efficacy of both.

Directions: Mix 1 scoop (approximately 5g.) once a day with 100ml with water or your favourite beverage.

Ingredients: Hydrolysed Collagen peptides (bovine), Hyaluronic acid, Vitamin C (Ascorbic Acid).
