Built-in
Microphone

Crystal Clear
Sound

■ Built-in Active Noise Cancellation Technology

With the ANC built-in noise cancelling technology, the headphone helps reduce ambient noises by up to 90%. As a result, the hybrid active noise cancellation can detect and cancel out a wider range of low and mid-frequency noises such as cars and airplane engines.

■ Built-in Clear Voice Capture Microphone

The built-in microphone is omnidirectional which picks up sound with reliability for optimal performance. The built-in noise cancelling technology helps filtering out unwanted noises from the background, delivering your voice in the most clear and precise manner.

■ Foldable Design, Comfortable Fit & Wear

The earcups and headband are foldable, and can be adjusted to ensure the perfect fit, while the custom padding provides a soft comfortable fit.

■ Media Control Buttons

With the conveniently located media control, you can easily adjust the volume and manage your calls at your fingertips.

■ 3.5mm AUX Connector

The 4-band 3.5mm Aux Connector allows the headset to work directly with most mobile phone/audio devices.
