Instruction manual Smart WiFi Socket Nous A1

You will need Nous Smart Home App. Scan the QR code or download it from direct link

How to add your device to the Nous Smart app

- 1. Plug in the device
- 2. Make sure that indicator is blinking rapidly(if not, hold power button for 5 seconds untill it starts blinking fast)
- 3. Turn on Bluetooth and Location on your phone(temporarily)
- 4. Open Nous Smart app
- 5. Press + and Add device
- 6. Autoscan will appear and it will suggest you to add new device
- 7. Confirm connection and your WiFi network data
- 8. Start pairing
- 9. After pairing is done, you can rename your device if you wish and its ready to be used
- 10. If autoscan does not see your device, you can pick it manually from the list and proceed to connection from step number 7.
