

The Smoke detector has a 10-year battery that lasts its entire lifetime.
Alarm goes off? Silence the alarm by use of the hush button.

The 85-decibel alarm of the Combination detector is accompanied by a notification on your phone for added convenience and protection.
The Self-Test feature is designed to notify you if it detects any issues, such as problems with the battery or sensors.

Where to install the Smoke detector?

Easily install the Smoke detector using the included mounting plate.

- Recommended
- Optimal protection
- Not recommended
