

## PROTECTS YOU, YOUR FAMILY, AND YOUR PRIVACY

cam720 Security offers a complete range of smart home security products for the privacy-minded.

### Pan-Tilt Auto-Tracking

With a large 355° pan and 45° tilt, any suspicious activity in your backyard is detected, locked onto, and automatically followed for your review.

### Dual-Band Wi-Fi Transmission

With a 2.4 and 5GHz Wi-Fi connection, your surveillance is stable and fast—saving energy. No more delays for important alerts.

### Setting of cruise

Cruise detection will be carried out within a set time and will be on alert at all times.

### Dual-picture monitoring

Two screens viewed at the same time, saying goodbye to the monitoring blind spot.
