

# STREX

## S M A R T BATTERY CHARGER

The Strex SP186 is an advanced and smart battery charger. With this battery charger you can charge all 12 and 24 volt AGM, GEL and lead-acid batteries. Ideal to bring your empty car or boat battery back to life. With the modern LCD screen you can quickly find out the status of the connected battery. Charging is quick and easy, all you have to do is connect the charger to the battery and plug it into the socket. After this, charging will start automatically.

- ✓ Multi layer security ✓ Suitable for 12 / 24V batteries
- ✓ LCD display with useful data ✓ Simple, compact and practical
