

Oxford Patriot Chain Lock

More Information

Options & Sizing

Description:

The Oxford Patriot chain lock comes equipped with an ultra strong, 12mm square link chain made from Ni-Cro-Mo alloy steel. The chain has a protective cloth sleeve to help prevent damage and make it easier to handle.

The padlock features an advanced 4 way locking system and comes equipped with an extended length 14mm pin perfect for using as a chain lock. The padlock can be used as a disc lock to double security only when combined with the chain.

A key replacement service is available so that if you are unfortunate enough to lose all your keys a new one can be made up. Just remember to take note of your key number and keep this in a safe place.

This chain lock has undergone rigorous independent testing and has Sold Secure Motorcycle GOLD, ART 4* approval and SBSC certified product. The Oxford Patriot chain lock is resistant to attack by sledgehammer, saw, bolt cropper, drill and freeze tested. It also comes with a 2 year warranty.

Chain

- 12mm square link chain made from Ni-Cro-Mo alloy steel.
- Case hardened chain to resist bolt cutters.
- Zinc coated to prevent corrosion.
- Protective cloth sleeve to help prevent damage and make it easier to handle.
- Long links reduce weight and increase portability.
- Fits all Oxford ground anchors.
- Can be easily stowed under the seat.
- Available in three lengths: 1.2m, 1.5m & 2.0m.
