WELCOME TO LEGO® DIAGON ALLEY™

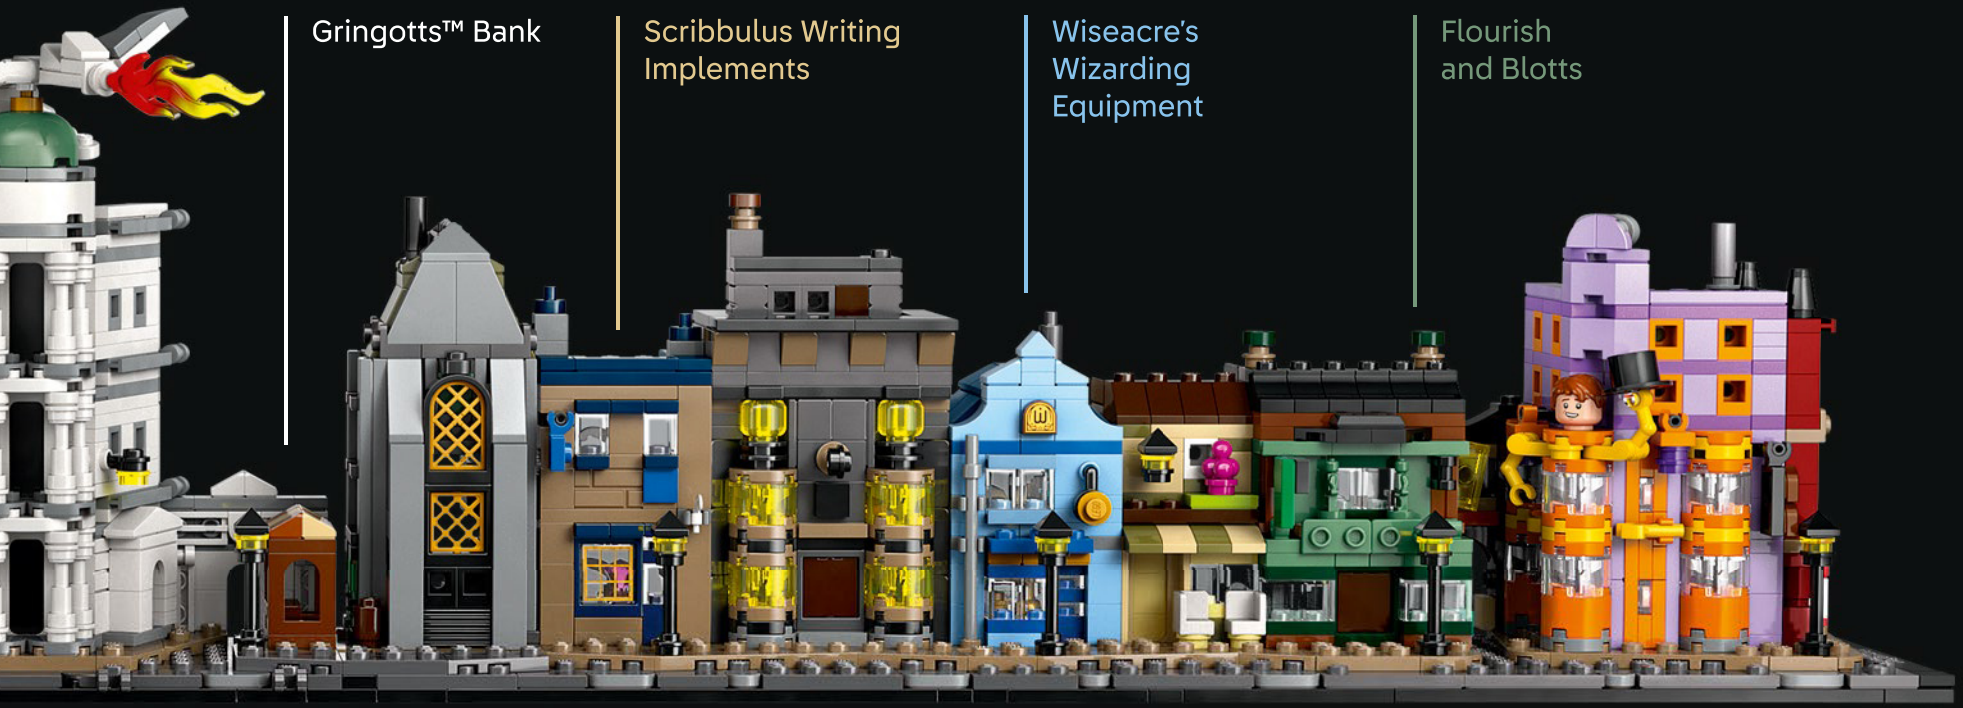

Following the release of LEGO® Hogwarts™ Castle and Grounds (76419), we now travel to another enchanted location in the Wizarding World™: Diagon Alley™. Some of the most iconic scenes in the film series inspired this set; from the first time we see Harry Potter™ enter this hidden world of magic to the Ukrainian Ironbelly dragon's epic escape from Gringotts™.

To learn the right building spells for this model, our design team visited the Warner Bros. Studio Tour – The Making of Harry Potter™ in London and did lots of research on every shop you can see in the setting. It was a fun design challenge to find a balance between accuracy and colourful enchantments in the 16 shops, and to create a lively skyline for this beautiful street. With 12 of the most beloved and infamous characters from the films, now you can recreate all the magical hustle and bustle we love about Diagon Alley!

Whether you're looking for your first wand or a fresh supply of Fainting Fancies to get you through (or excused from) your Hogwarts™ exams, the shops in Diagon Alley™ are famous for sporting the latest in magical gadgets and curiosities for wizards and witches of all ages. From Ollivanders™ centuries-old Wand Shop to Weasleys' Wizard Wheezes™, the rich traditions, history and nostalgia of the Wizarding World™ are felt in every shop.

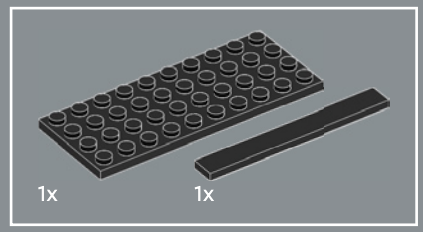

CAST YOUR TRANSFIGURATION SPELL

Now, all you have to do is cast a Transfiguration spell on the bricks in this box to conjure every shopfront and cosy interior – including the characteristic Knight Bus™. The model is built in five separate sections, so you can invite your fellow witches, wizards or Muggles™ to enjoy the magic of building together. At 88 cm (34.5 in.) long in total, the model can also be folded to recreate a classic view of Diagon Alley™ with Gringotts™ at the centre.
