THE FOUR GENTLEMEN

PEACH PHALAENOPSIS ORCHID

A staple in interior decor, the orchid is often seen as a popular motif in art. In a tradition that spans more than a thousand years, it is often portrayed in ink-and-wash paintings as part of a classic quartet of beautiful plants known as The Four Gentlemen or The Four Noble Ones. Together, they represent the virtues and continuous circle of the seasons: The orchid (spring), the bamboo (summer), the chrysanthemum (autumn) and the plum (winter). With its beauty and endurance, the orchid symbolises nobility, friendship and integrity – all refined virtues of a scholar.

NOBLE BY NATURE

Creating LEGO® decor that draws inspiration from nature is a relaxing and rewarding way to set your imagination free. With their flawless symmetry, orchid blossoms peek out to greet us from the humblest nooks and crannies in nature. They stretch towards the light and absorb nutrients and moisture from their surroundings. This model captures every stage in the natural life cycle of an orchid, from emerging buds to full blossoms, and you can play with the posable petals to adjust it organically and find new ways to let it brighten your space. Whether it sparks your curiosity for new, noble, scholarly pursuits or nurtures your growing creativity, we hope you will enjoy the experience.

- The LEGO® Botanicals Design Team
