

Model No.:JL-820

Item name:Cloud SLEEP TRAINER Clock lamp

Cloud Clock size:136*82*120mm

weight:271g(with packaging)

Material:Silicone,ABS

Power supply:3.7V===1800mAh

Input:5V===1000mA

Max Power :1W

battery avg life:after 300 times charger cycles

lithium battery voltage:DC5V/1000MA

Number of Lithium-ion Cells :1pcs

Battery weight:42.8G

Battery Model: 18650

how long it will stay on in Sounds+White light+Screen display time:15H
